

Boarding Checklist

_ Food

Dry dog food must be in a re-sealable container, and also the appropriate size for the length of their stay. (Not too big)

_ Bowls

Food and water bowls, unless they are breakable.

_ Bedding

Something for them to sleep on. If they don't have a bed, send a towel or soft matt.

_ Toys

Anything you want to send along with them to keep in their room and make them more comfortable.

_ Treats or Bones

Anything normal you would like to provide as a treat.

_ Medications

Any medications they are currently taking, or might need, while they are in our care. We keep sliced cheese in the fridge to hide them in.

_ Shot Records*

*Only necessary to bring IF you have not already provided us with current records, that meet our published vaccination policies, prior to this stay.
