

## Registration Instructions

Please call or e-mail us to check for availability for the dates you need.

Please complete and return the Owner Registration Form, Guest Registration/History, and Service Agreement as soon as possible. The Service Agreement must be signed by the owner. If you are a previous customer, you can simply fill out the "Previous Customer Reservation Form" and return it to us, and check to see if your dogs' vaccinations are still current. If they aren't, we need copies of the new vaccinations prior to arrival. If you need to make reservations on a Holiday listed on our policies page, you should also complete and return the "Deposit Authorization" and return it to us in order to secure your reservation.

A current copy of your dog's vaccination records must be provided to us on or before the first boarding or day care date. We strongly recommend sending it to us at least a week in advance to prevent un-necessary delays at check-in, or worst case, not being able to leave your pet due to your dogs' vaccinations not meeting our requirements.

We require all guests to be current on the following vaccinations: Rabies, Distemper/Parvo (DHPPC), Bordetella (kennel cough)

Please review our "Policies" page for complete information.

To assure ALL of our guest's are safe, reservations will not be honored if you fail to provide written proof of the required vaccinations. No exceptions.

Payment for all services is due and must be paid at check-in. Any additional charges incurred during the stay (extended reservation, additional food, etc.) will be due at pick-up.

We accept MC/Visa, checks, and exact cash.

Please fax, e-mail, or mail the required documents to us as soon as possible after calling to check availability and make a reservation.
