Ever visited dog day care? _____ How did that go? _____

Ever been around other dogs in a group environment other than the park or day care? _____ How did that go?

We cannot guarantee that a guest will be able to play with other guests during their stay. That's highly dependant on the size and personalities of other guests, and how many guests we have staying with us at that particular time.

Sleep

Normally sleeps through the night? _____ Sleeps on what? _____ Sleeps where? _____

(Reminder: you must provide something for this guest to sleep on, such as a dog bed, a blanket, or towels, even if this guest is used to sleeping on the floor of your house. They are not at home, and they need something to sleep on.)

Special Requests

We would like to know if there is anything we can do to make our guests stay with us less stressful.

We will do our best to keep their days as "normal" as possible.

Would you like us to e-mail you a few pictures of them during their stay? _____

Email address: _____
